Old Business

- Minutes from the January 2, 2002 meeting approved. These will be posted on the website.
- Stu Asay, Scott Campbell and Tara Conyers have volunteered for the Audit Committee. They will compile the annual financial report for National.
- Advisory Committee update: Glen Bodnar met with the Certification Board to see if they wanted to assume responsibility for certifying Cross-Connection Control Technicians in the State of Colorado. The board declined. The committee is set to meet with ABPA and ASSE to explore their certification programs.
- Photo contest winners are posted on the website. Award certificates for the winners have not yet been printed.
- Western Regional Photo Contest will be managed by the CBPA. Same three categories will be included: Good, Bad and Ugly. When determining the winners, equal weight will be given to the written description of why the installation/assembly qualifies as good, bad or ugly. The deadline for submission will be the National Conference dates (May 4-8).
- Educational Committee: Michael Hayes presented the results of the 2-page survey completed at last year's annual conference.
- Video Committee: Purchase of "Sharpshooter" video was approved.
