The State CBPA business portion of the meeting was adjourned at 6:40 p.m. It was immediately followed by the Northern Chapter of CBPA's regular monthly meeting. Those minutes were taken by Doris Biehl – Northern Chapter Secretary.

The Northern Chapter stated that they needed more support from the Main Chapter. Cory Spengler, Scott Campbell and Cindy Meade were at the meeting representing the Main Chapter and suggested that anything the Sub Chapter would like to have just needed to be requested in writing and we were confident that those needs could be addressed.

John Nelson also suggested that a list of the contents of the CBPA library listed on the Website could be very useful.

Colorado Backflow Prevention Association Secretary
