- April minutes approved.
- Treasurer's report: contact Treasurer for current balance.
 - Current membership: 253.
- The Colorado Cross-Connection Control Advisory Committee is looking into hosting the geographical database in house.
 - May 21st is the final rulemaking hearing for adoption of the three national certification programs.
 - Review of the certification programs will occur every two years.
- The goal of the Bylaws Committee is to have any proposed changes ready for vote by the membership in time for the Annual Conference.
- The Holiday Inn DIA is preparing a proposal for hosting the 2003 CBPA Annual Conference.
 - The Conference Committee is seeking input from the membership regarding topics and speakers.
- The formation of a Newsletter Committee is being requested. Feel free to submit articles and ideas. Leigh Fenton is currently writing the newsletter. Judy Schmidt is currently issuing the advertising guide.
 - The CBPA will endeavor to inform the members of the details of all three national certification programs despite our loyalty to the ABPA certification program.

- We are looking into hosting example test forms on the website with regard to the different certification programs.
- The CBPA has been awarded the 2003 Presidential Award for Chapter Excellence (PACE).
- Leigh Fenton brought a “Faithworks” brochure for the membership’s perousal. This organization is a source of clothing with customized logo’s and embroidery.
- Fred Spengler is holding an ABPA proctor certification class and exam on June 7th, and a tester certification class and exam on June 6th.
- Contact Ernie Havlina of the ABPA at (213) 776-2764 or through the ABPA website to request a non-illustrated version of the ABPA testing procedures.
 - ABPA test procedures are identical to the test procedures found in the *Manual of Cross-Connection Control, Ninth Edition, Foundation for Cross-Connection Control and Hydraulic Research, University of Southern California*.
- Future Meetings:
