

The logo features a red circle on the left containing a blue and white yin-yang symbol. To the right of the circle, the word "olorado" is written in a bold, black, sans-serif font, with the first letter 'C' being significantly larger and partially overlapping the red circle. Below this, the words "Backflow Prevention Association" are written in a bold, black, sans-serif font.

olorado Backflow Prevention Association

September 9, 2004
Minutes

Meeting was held at the Dillon Company
Those present include:

Leigh Fenton – Town of Castle Rock – President of CBPA
Craig Florence – The Dillon Company
Cory Spengler – Backflow Consulting – CBPA Secretary
Byron McElhinney – City of Golden
Robert Smith – Colorado Springs Utilities
Brad Prochnow – Maples Sales
Mark Champion – Flowmatic
Michael Cummins – Swedish Medical
Jon Furres – Febco
Mike Brune – Dillon Company

9:15 am - Meeting was hosted by the Dillon Company. There was a presentation by Febco's Jon Furres on one of their new products. Febco has a new Website, www.backfowbid.com/faq/faq/asp.

10:05 am – Business meeting was called to order by Leigh Fenton. Michael Cummins received permission from Swedish Medical Center to use some area of the hospital as a venue for Charlie Sullivan to do a video presentation on proper testing of backflow prevention devices on fire systems. Leigh Fenton will work with Michael and Charlie to get that under way.

Treasurer's Report – Ask Treasurer

BPECC Meeting will be 9/21/04, guest are welcome.

CBPA's Library is now on the backflow.org website.

All present labeled and stamped the conference brochures. They were delivered to the Post Office immediately following the meeting.
Still looking for articles and ideas for the newsletter.

Michael Moss will not be able to attend the conference this year.
Rich Koenig is the new ABPA Vice President.
Jim Purzycki will do an all day repair seminar on Thursday.
CDPHE – small systems program development.

Meeting adjourned at 11:30 am.

Cory Spengler
Secretary - CBPA
