Backflow Prevention Association

Thank You for Your Patience

We are working through a period of transition with the newsletter & advertising guide. We hope to be able to resume email editions soon. If you have email address updates, or any other information changes, please send them to info@backflow.org. In the meantime please check in periodically at the website and we will keep you posted on any late breaking news.

On a separate note we have many suggestions for improvement of the newsletter including one to insert some humorous anecdotes. Great Idea but I am without a funny bone. Is there any one out there who would be willing to submit articles, anecdotes, even suggestions for topics?

We want to thank the Northern Subchapter for hosting the February Meeting. Many suggestions were made for the benefit of the entire Chapter including hosting seminars on issues such as Assembly Repair and Program Administration For Purveyors. Get involved in your organization! Volunteers to help implement these and other educational activities are needed. Put your talents to use.

Next Meeting is March 10th at 9AM City of Westminster

NE corner of 104th & Wadsworth General Business Meeting and Facility Tour

April 14th 9:30 AM Pueblo Board of Water Works

May 19th 9:00 AM Town of Castle Rock- **Note this is the 3rd Thurs. due to Conf.**

June 9th 6:00 PM Backflow Consulting Testing & Repair

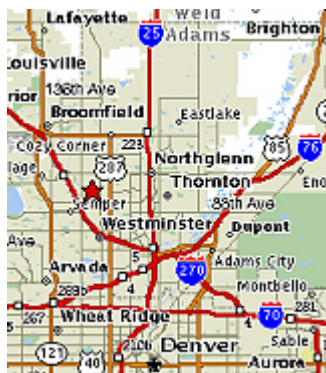

If you would like to volunteer to host a meeting please contact one of the officers

May 9-12, 2004 The 20th Annual ABPA National Conference

Long Beach, California - Hyatt Regency Hotel

Please note that there will not be a 2004 Western Regional Conference

CBPA meetings are normally held the 2nd Wednesday of the month
