MESSAGE FROM YOUR PRESIDENT

Colorado has WON the PACE AWARD for 2001!

The Presidential Award for Chapter Excellence recognizes chapters for their positive impact on their membership, their profession and their community. We have all worked diligently to support our growing membership and educational needs for water protection in Colorado and the National recognition is well deserved. **Congratulations Colorado!**

All of your Officers attended the 17th Annual ABPA International Conference, April 21 to April 25, in Kansas City, Missouri. A total of twenty (20) people from Colorado attended. Thanks for all your support to the ABPA.

We attended committee meetings, training sessions, the ABPA National Board Meeting, educational sessions and the great Exhibit Hall. Call one of your officers and get an update. Hopefully lots was learned and brought back to better our home state.

Congratulations also goes out to the newly elected ABPA Officers President Ron Chapman, new Vice-President Dale Strong and Region V Director Michael Moss.

CBPA - June 6, NOON Meeting

CBPA NORTHERN SUB-CHAPTER

The Northern Subchapter's Newsletter is posted on the website. Please take the time to read and mark your calendars for their July meeting. The May 15th meeting was a success with members of the Colorado Cross-Connection Control Advisory Committee available to ask and answer questions. Lots of topics were on the agenda for the 30 plus people in attendance. The Advisory Committee thanks CBPA for the invitation and the opportunity to visit with the industry professionals in the northern part of our state. A Special Thank You to the Officers who put the meeting together and to John Nelson and the City of Fort Collins for hosting.

CBPA SOUTHERN SUB-CHAPTER

The Southern Subchapter's information is also posted on our website. Please note that the Pueblo Chapter's Chair, Dutch Mead, has a new e-mail address CLMEAD@compuserve.com. We will be posting future meeting times and places. Any questions? Please send Dutch an e-mail.

Please take advantage of our NEW WEBSITE TOOL

Our CBPA webmaster, Gary Edwards added a new bulletin board system to our website www.backflow.org. This free system is called Ikonboard.

Gary's added the link on the website's main page as one of the buttons on the left called **CBPA Forum**. Due to the nature of bulletin board software, you will have to register once you get to the forum. Once you register, you are e-mailed your login and password to access the forum. Usually, you log into a system like this once, and your internet browser stores that information in a cookie, saving you from having to do it again. Those that are CBPA members can e-mail Gary for access to CBPA only areas, there are other general areas as well to enjoy, such as movies and sports. Suggestions for Category or Forum themes are welcome, just e-mail Gary at webmaster@backflow.org.

Gary has put forth a wonderful effort to keep the website updated and up to speed. All of CBPA thanks you for doing a great job! And don't forget to e-mail Gary your e-mail address!
