MESSAGE FROM YOUR PRESIDENT

This has been a very exciting and educational summer for CBPA. Your support and enthusiasm has been demonstrated by your attendance at meetings held throughout the Colorado front range. The meetings in Fort Collins, the Denver metro area and Pueblo have all been successful. We have had great speakers, guests, tours, training seminars, and demonstrations. Please continue to mark your calendars with the upcoming events and check our website frequently at www.backflow.org for the latest information and maps for directions.

At our recent June meeting, Mr. Robert "Bob" Stevens, from Denver Water was nominated and voted to be a Life-Time Member of the CPBA. This honor was accepted by Bob. The chapter will maintain his national and local membership including his *Drinking Water and Backflow Prevention magazine* subscription.

Bob has been with Denver Water for forty years and an active member of CBPA and the Colorado Cross Connection Control Advisory Committee for many years. **CONGRATULATIONS BOB!**

EngSoft Solutions

Randy Engle, President of EngSoft Solutions presented "**XC2 Backflow Prevention Management Software**" at our June meeting in Castle Rock.

After our luncheon business meeting, which was sponsored by EngSoft and CBPA, thirty-four people attended Randy's presentation on how to manage a backflow program and view cross connection data. The XC2 program has lots of time saving features, digital image storage, and the ability to keep the customer information up-to-date with billing systems. We had time for questions & answers, and some hands-on training.

Thank you Randy for your support and interest in Colorado!

Summer Barbeque - July 11

Please join us for our event of the summer! You won't want to miss this one. **Mr. Ron Chapman**, President of the American Backflow Prevention Association, will be our guest and speaker. Mr. Chapman is currently with the Ford Motor Company out of Detroit, Michigan. He will be available throughout the evening to answer questions and have one-on-one discussions with members about national and local issues.

Members and guests are free! Bring the family to enjoy the beautiful Aurora Reservoir for an evening of fun and food. Park opens at 4:30 PM. Hamburgers, brats, hot dogs, potato salad, baked beans, sodas and assorted paperware will be provided. Bring a potluck side dish to share.

Plan on attending...**you must RSVP by July 9th** to Cory or Fred Spengler 303.680.5501 or Tamra Krebs 303.435.7548.

This summer event is being sponsored by EngSoft Solutions, Backflow Consulting Testing & Repair Inc., and *Drinking Water & Backflow Prevention Magazine*.

Please be sure to thank these generous Sponsors!
