MESSAGE FROM YOUR PRESIDENT

Our August 8, 2001 meeting was held at CPS Distributors, Inc., 955 Wooten Road, Colorado Springs. Mr. Jim Whitelaw, Dir. of Technical Support at HotBox and a life member of CBPA was our featured speaker. Jim discussed safety issues and confined space. He gave us an informative and entertaining presentation about enclosures as they relate to the confined space entry laws and we watched a video produced by AWWA. Thirty-five people from the surrounding Colorado Springs areas, including Pueblo and Denver attended.

Thank you Jim! You are always such a pleasure to be around. A big Thank you to CPS Distributors, Inc. and Dennis McKimsey for being our hosts and donating the donuts, bagels, juice and coffee. The CBPA has been invited back to CPS, so watch for future meetings in Colorado Springs. We must have behaved ourselves. Thanks Guys.
