## Big Changes With Your Annual Dues & DW&BP Magazine Subscription

Effective December 1<sup>st</sup>, 2003, all subscriptions for *Drinking Water & Backflow Prevention* (DW&BP) magazine will be processed directly through the publisher instead of being part of your annual dues. All members should have received a letter regarding this from DW&BP. To extend/update your subscription call DW&BP at 303.451.0978 or via the Internet at <http://www.prolynx.com/dwbp-online/cbpa-renew.htm>. A special offer is available for CBPA members through December 1<sup>st</sup>, 2003.

Effective January 1<sup>st</sup>, 2004, your annual dues will be changed to \$45.00, with \$30.00 going towards your ABPA membership and the remaining \$15.00 will be retained by the Chapter for local activities. If you have any questions, especially members renewing during the December transition period, please contact your Treasurer, Tara Conyers.

## 2004 Ballots for Officers & Proposed CBPA Bylaw Revisions

In the November 2003 newsletter it was announced the ballot included with your newsletter would be for voting on 2004 Officers and the proposed CBPA Bylaw Revisions. Unfortunately the voting for the bylaw revisions was inadvertently omitted from the ballot.

Voting on this issue will take place during the business meeting at the December conference. Members will receive ballots with their conference packets. Members that are not attending the conference may request a ballot through one of the officers. Due to the error, the deadline to receive ballots for the proposed CBPA bylaw revisions is extended to December 31<sup>st</sup>, 2003. The bylaws ballots will be counted during the business meeting on January 14, 2004.

Proposed revisions may be viewed on the website. Please contact an officer if you have any questions. We apologize for this error.

## December 5<sup>th</sup> 2003 ABPA Proctor Training Cancelled

We were unable to meet the minimum number of candidates required to offer a proctor training session that was tentatively scheduled for December 5<sup>th</sup>, 2003. Therefore, the session has been cancelled but we hope to organize a future training seminar once enough individuals have signed up.

For information on being an ABPA Proctor please see an article about the topic in the September 2003 CBPA newsletter. If you are interested in becoming a proctor, contact an officer for further information.

*We hope to see you at the annual CBPA “Winds of Change” Educational Conference!*

*We also hope you and your family have a wonderful holiday season!*
