Colorado Backflow Prevention Association
Northern Chapter
P.O. Box 592
Fort Collins, CO 80522

Greetings!! We have a meeting scheduled for February 20th to be held at the City of Fort Collins Building at 700 Wood Street at 6:00 pm.

Ron Haun, Colorado State University Fire and Security Systems Specialist, has agreed to speak and answer any questions on fire alarm systems. Please take this opportunity and stop by. I'm sure it will be worthwhile.

John Nelson may be able to answer any questions on the changes for Colorado Cross Connection Certification.

A party submarine sandwich, chips, and soda will be provided.

Hope to see you all there!!
