12:30—4:30 Confined Space Entry Cert.

Designed for the Backflow Assembly Tester, this 4
hour class will provide the knowledge needed to
safely enter a confined space. Learn how to
identify a confined space, assess the hazards and
determine what safety precautions are needed

before entering.

Tom Roberts -

Thursday Nov 3 from 4:00—6:00 “Visit the Vendor” Reception

Your chance to spend some time with the manufacturer’s representatives and service providers for the industry.

Munch on some snacks. Sip some beer, wine or soft drinks. And listen to some live jazz.

*Don’t forget the “Backflow Rodeo”. Pit your skills against other tester to find the problem and win a chance at
a prize!.*

The door prizes will be drawn during this time, too!
